

Just dental staff

The Professionals Choice

Please note that Just Dental Staff is increasingly dealing with long-term locum posts for the MOD through its sister company Military Medical Personnel at www.militarymedicalpersonnel.com or telephone 0845 9000 198 rather than with odd days or weeks for the NHS or private sectors.

Please note that we can only generally place locums who can work full-time hours Monday - Friday; Hygienists partly excepted.

All current jobs are listed on the Positions Available Page already.
